Dear Parent/Carer

### Children walking home without an Adult

I realise that when children reach Year 5 and Year 6 many parents may want to encourage independence and allow your child to walk home alone, with friends or with older siblings. At Bozeat, we generally do not encourage children younger than this to walk home alone.

Some parents who pick up more than one child may wish their older child(ren) to walk around and find them on the playground or at the School Gate. Again, we recommend that children younger than Year 4 are collected from their classrooms.

Please reiterate to your child that if they cannot find you, they must return back to the school building and inform a member of staff. Children for whom we do not have parents permissions will not be released until an adult arrives at school.

If any of the above are the case for your child, please complete the permission slip below and return to your child's class teacher.

Yours sincerely

Gareth Rust  
Head of School
